ADDITIONAL INFORMATION

1. **BC/YT SAFESPORT POLICY:** Phone, video, and/or mobile devices must be turned off and put away in bags while in dressing rooms. Parents and coaches are not permitted in dressing rooms; a family area will be provided for skaters who require assistance.
2. Skaters may enter only one event per discipline of singles. If short and free programs are listed as separate events, skaters may enter one short program and one free program.
3. Should entries in a category be exceedingly large, the event will be divided into smaller groups which will be determined by random draw. Each group will be considered a final. Pre Novice to Senior Singles will be grouped by the skater's highest personal best score within the last 12 months at the time of groupings. Skaters with the highest scores will be placed in a group together, then the next ranked skaters will be placed in a group together and so on. If a skater does not have a score within the last 12 months they will be placed in the last ranked group. Age categories may be combined when there are less than 6 entries in a category.
4. If an event has only one competitor, the skater will be informed and have the option of skating up an event, *skating for an evaluation only, or withdrawing with a refund. When skating for an evaluation, if a technical panel is not available to assess technical content, feedback may be in the form of judges' comments only. Competitors may skate up one category higher than they are qualified.
5. **REGISTRATION:** Skaters must register/check-in at least one hour before they are scheduled to skate. **Please note that events may start up to 30 minutes earlier than scheduled. More information regarding registration will be communication closer to the competition.**
6. **SIZE of WARM-UP GROUPS:** The maximum number of skaters on warm-up for all events will be 6 for singles, 4 for pairs, 6 for pattern dance and 5 for free dance.
